#### HERE AND THERE.

The All White Hat-Attractive Buttons Set With Garnets.

One of the season's most striking novelties is the all white hat. It is usually made of fine French chip or horsehair straw and trimmed with large clusters of white flowers and white leaves. Of course it is not a very serviceable piece of headgear, but it is immensely stylish and may be worn as well with a pretty light suit as with a muslin dress.

Whether they fulfill the time honored service of buttons or not, handsome

ROSE LINEN FROCK-5710.

buttons are highly effective ornaments. Some of the most attractive ones are of exidized silver set with small carnets. The effect of these on just the right sort of gown is lovely.

Embroidered dresses are more than ever fashionable and when well chosen are young looking and becoming.

Wistaria in the royal shade of blue, mixed with a little tulle of the same shade, is a fashionable flower this summer for the adornment of burnt straw picture hats. The nasturtium is also a favorite flower on the burnt straw hats. These, with their foliage, are entirely covering the crowns of smaller and flatter hats, the only other trimming being velvet ribbon in a shade to match the flowers and about one and a half inches wide.

The little gown illustrated is of rose colored linen made in a sort of modified Russian blouse suit. There is an accompanying guimpe to be worn on cool days. The neck and kimono leeves are finished with insertion or JUDIC CHOLLET.

#### VANITY'S VISIONS.

Styles In Hand Bags-Black Frocks Surplice Effects For Outdoor Costumes. A Paquin Model.

The surplice front presents this sea son another feature of the kimono in outdoor gowns. In this costume the front of the dress fits closely across the throat, apparently without any effort to fit, yet the whole effect is graceful to a degree and a welcome rellef from the high coliars and stiff throat effects of the gowns of other

A well known woman keeps a button from every gawn she wears. Her mother had previously done the same thing, and the present collection has a very curious and interesting stock of these common dress "ingredients."

OF CHECKED COTTON VOILE-5630, 5706. They are all ticketed and dated and serve to recall many events in their owner's life.

Paquin, the great French modist, has just sent over a stunning gown that may be copied easily. It is of flesh pink voile with the bodice built on the kimono model. The crossed effect in front and the sleeves are of a lovely blond lace bordered with the Two pink tassels daugling in voile. the front over the waist belt and the fillings in at the neck are of clear net velled over gauze.

Cotton volle is the material of the dress illustrated. The skirt is formed of alternate double box plaits and panels inset with bands of taffeta. The guimpe under the pinafore waist is of valenciennes lace lought by the yard.

#### FASHION NEWS.

How a Smart Sailor Hat Is Trimmed. New Collar Pins.

A very smart sailor has clusters of moss resebuds in the form of floral aigrets high on either side of the front and a wreath of white hyacinths around the crown.

New collar plas are made of gun metal, with tiny to zero in-pretty color-ings enameled on. They come in a variety of shapes, but the favorite seems

THE PASHIONABLE POULARD-5707, 5568. to be one which tapers at either end from a center of a full quarter of an

inch. These plus are \$1.50 a pair. The mushroom sailor is becoming to most women and is newer and more up to date than the straight old fashloned sallor. Black and white are the favorite colors, and the hat is extremely popular with the outdoor woman. The ribbon bands match the hat in color. The hats sell for \$3. A refined and fascinating color scheme was shown by a hat and frock worn by a tall, dark woman who was sipping something cool and long at an open air restaurant the other night. The frock was of oyster white rajah silk, with big spots of pale green, and the hat was of white chip adorned with shaded green ostrich feathers. She looked like absinth frappe, but it is to be hoped that she was better than this French beverage.

A number of the ostrich feathers this summer are dyed in shaded colorings from the deepest, darkest tones down to the most delicate tints.

Foulard of a dotted black and white makes the skirt and overwaist worn over a guimpe of lingerie. The design is suitable either for a house frock or a street suit\_\_\_\_ JUDIC CHOLLET.

# That's What Counts

BRAND NAMES OF PIANOS DO MEAN SOMETHING. BUT PI ANOS MUST BE GRADED IN THE CLASS IN WHICH THEY BELONG -AND KEPT THERE-TO MEAN THE MOST TO A PURCHASER.

THAT IS THE GOOD SERVICE WE PERFORM FOR OUR CUSTOMERS WHEN WE PURCHASE OUR ENORMOUS STOCKS FROM THE FORTY DIFFERENT FACTORIES WE REPRESENT.

WE BRING EXPERT KNOWLEDGE OF PIANOS TO BEAR IN OUR DEALINGS WITH EACH MAKE OF PIANO WE BUY AND SELL.

AND NO INDUCEMENT OF LARGER PROFIT ON ANY MAKE OF PIANO BY GRADING IT HIGHER THAN IT DESERVES (AND FACTORIES WOULD LIKE US TO DO IT TOO), TEMPTS US TO VARY FROM OUR FIXED RULE TO GRADE, PRICE AND SELL EVERY MAKE OF PIANO WE HANDLE IN THE CLASS IN WHICH IT BELONGS.

SOME PEOPLE MAY DISAGREE WITH OUR JUDGMENT ABOUT RELATIVE VALUES OF DIFFERENT MAKES OF PIANOS BUT THAT DOESN'T PROVE ANYTHING. WE 70 1

THEY MAY BE PREJUDICED OR BEHIND THE TIMES.

WHAT WE SAY ABOUT GRADE AND WORTH OF DIFFERENT MAKES, YOU CAN BANK ON. IN SELECT ING A PIANO OF US YOU HAVE ONLY TO DECIDE ABOUT PRICE YOU WISH TO PAY AND OUTSIDE AP-PEARANCE, UNLESS YOU HAVE IN MIND SOME MAKE THAT IS KNOWN TO YOU.

IF YOU DON'T KNOW WHAT MAKE YOU WANT "TRUST US" AS YOU WOULD COME TO US IF NOT SATISFIED ANYWAY.
